

# **Music from the Heart**

**The Dulcimer player sits in a quiet place-**

**Head down-**

**Concentration on the face-**

**Hands poised over the instrument,**

**Ready to receive music from the heart.**

**A tune comes forth,**

**People pass by-**

**Some stop to listen.**

**Feet tap to the music from the heart.**

**Some feet are small, some large, some wear sandals or boots.**

**The feet stop-**

**They tap to the music from the heart.**
