Free Iron-on Transfer Images:

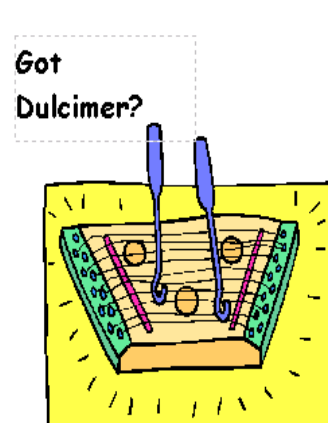

Iron one of these images on shirts, totes, etc! We ask only ONE thing...please don't remove the EverythingDulcimer.com logo or web address from the images. It will help us get the word out about the site and the wonderful world of dulcimers!

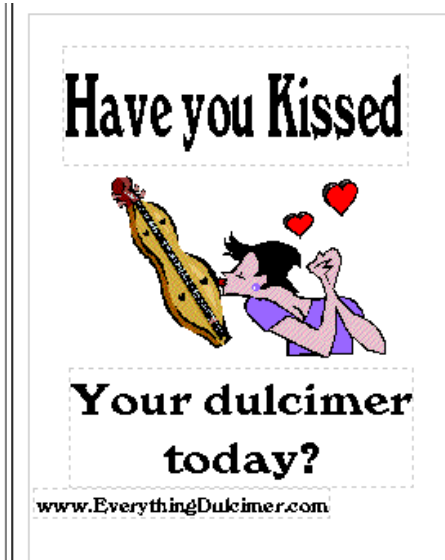

How it works

1. Select an image and save it to your harddrive. The image you need to transfer is actually reversed from the images below.
2. Purchase iron-on transfer paper from an office supply store or a general store such as Walmart, Target, etc.
3. Print the image on the transfer paper
4. Iron the image onto anything you like!
5. Show your dulcimer pride!

Check back often as new images will be added from time-to-time!

Click on the image to view the transfer image. To download the transfer (reversed) image, right click and select "save target as" and save the image on your computer for printing. [see below for transfer hints!](#) Click on the supplement number below the image you want to transfer!

Iron-on Transfer Hints

- (1) If you do not have a quality color printer, place the image on a diskette and print the image at a local copy vendor such as Kinkos or Quik Copy.
- (2) Purchase quality transfer paper and ensure you follow the print and transfer directions carefully.
